

Marquee Garden Parties !

The sky is the limit! Literally! We can site a pristine **white marquee** in a leafy alcove within the **Formal Gardens** for your event. Under the sun or under the stars! For an evening, we have drinks and cocktails aside the marquee or maybe you would like to have drinks on the **Balcony of the Mansion** and then move to a **fabulous dinner under the stars!**

For daytime events, the warm sun on **perfumed gardens** creates delicious aromas. Maybe it's a **convention luncheon or maybe a product launch**. With garden furniture and market umbrellas at the entrance and formal white-clothed tables inside, the marquee looks a picture in a setting that few could compare with.

The final setup will depend on the feeling you want to create and the size of the budget! But, big or small, the effect can be stunning. **From Buffets to BBQs** and formal seated **three course dinners to Fingerfood banquets**. The range is enormous. We can tailor one to suit your needs. We can incorporate **Mansion viewings, entertainment, Zoo safaris** and much, much more. **Sun-filled gardens** during the day and floodlit **under the stars at night**. The setting is spectacular!

The costs for Marquee Garden parties:

There are a number of factors to take into consideration when attempting to cost a marquee event. These are the prime considerations:

1. Daytime or evening event
2. Framed marquee or structure (free standing)
3. Marquee floored/carpeted or not
4. Silk liner or not
5. Portable toilets at the site or not
6. Food service: buffet, 3 course sit down, BBQ or Finger food banquet
7. Crockery/cutlery or disposables?
8. Dance floor?
9. Band/Entertainment
10. Number of guests

As the costs vary greatly from event to event, each one has to be quoted separately. However, a good rule of thumb is that that an outdoor marquee event will cost you at least double what an event in our Ballroom will cost. We are always happy to quote it for you.
